Office of the Comptroller

SUBJECT : Proposed Revision of [REDACTED] Proposed Regulation

25X1A

25X1A

1. In connection with the proposed text submitted for R [REDACTED]
the following comments are offered:

25X1A

a. In paragraph 1.a. are we trying to ensure "... maximum benefit ... from the minimum use of funds" or are we trying to ensure "... maximum benefit ... from the use of minimum funds?"

b. In paragraph 2.b. concerning "... single senior subordinate designated by him in writing ...", with whom will this written designation be filed?

c. In connection with sentence 1 of paragraph 3.b., "... administrative capacity and each redelegation ...", shouldn't it be delegation rather than redelegation?

d. In paragraph 4.d. the proposed certificate is unclear to me, and I don't know what is intended by "other information." Is it intended to say "I have reviewed this report on the disposition of Agency funds and obtained other information in the fulfillment of my responsibilities for this project which enables me to certify that ..." or are we trying to say "I have reviewed this report on the disposition of Agency funds and other information obtained through the operations of the project in the fulfillment of ..."?

2. The following comments are offered concerning the proposed text for [REDACTED]

25X1A

a. Paragraph 1.a. - same comment as for [REDACTED]

25X1A

b. In connection with paragraph 2, where are the designations for field approving officers to be filed? Should something on this be included, since overseas installations are not covered in the headquarters version?
